Dear Captain Hunsard:

This is just a belated note of thanks on behalf of our entire party for the excellent treatment you accorded us upon our arrival in the Azores on my recent trip to Europe.

I very much appreciated the nice little tour of the island which you gave us and I particularly enjoyed getting together with your fine Texas wife for dinner afterwards.

[redacted] join me  
in many thanks and best wishes to you both.

Sincerely,

Signal

MEMORANDUM FOR: General Cabell

I believe this is the last thank you note which you owe to anyone. The reason for the delay on this one is that I had a bit of trouble running down Capt. Hansard's full name and address.
